**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I appreciate Sonic so much, supporting local businesses is an important action for the economy.

They are very user-friendly, such a great company to work with I feel like I'm part of the family here anytime I have a problem or care concern my issues are addressed immediately.

I feel as if I were to move on to a larger corporation that I would just be a small number in a very large pond without any importance other than did you pay your bill?

I hope my reaching out to you help sway you in favor of Sonic.

Sincerely,

Albert Wieberg
